Russian Emigre Politics

STATINTL

1. We should like, if agreeable to you, to enlist the services of your [redacted] once more for a copyright clearance problem under the following circumstances.

2. Mr. George Kennan forwarded to the Director ten copies of a volume entitled Russian Emigre Politics, edited by Mr. George Fischer and published by the Free Russia Fund, Inc., of New York. On the back of the title page is printed "Copyright, 1951, by George Fischer". The book consists of a preface by Mr. Fischer and then four articles which Mr. Fischer has picked from other publications.

3. Chapter I refers to a copyright for that portion to the Council of Foreign Relations, Inc. Chapter II gives no copyright notice, but as it is from the London Quarterly, it may still be protected by British copyright. Chapter III is by Mr. Fischer himself, but was first printed in the Journal of Modern History with no indication of copyright problem. Chapter IV was put out by the National Committee for a Free Europe, Inc., with no indication of the copyright interest.

4. The Assistant Director/OCD has asked to procure or reproduce copies of this book for official use inside CIA, primarily for training purposes. Would you be good enough to ask [redacted] to get in touch with Free Russia Fund, Inc., and find out what copyright problems exist? We would prefer to get permission to reproduce the book up to about 50 copies, unless there are available for sale, at a reasonable price, copies already printed. There is, according to the AD/OCD, no objection to revealing CIA's interest in this matter.
